

## DESIGNATION ORDER

### Purpose

The Designation Order identifies those sections of road within the Proposed Scheme that are to be designated as special roads and part of the trunk road network.

The draft Designation Order proposes that:

- the sections of new and upgraded roads highlighted in **red** on **Map 2** will become special and trunk road and be part of the Belfast-Bangor Trunk Road T1
- the sections of new and upgraded roads highlighted in **red** on **Map 3** will become special and trunk road and be part of the Belfast-Ballygawley-Londonderry-Land Frontier Trunk Road T3
- the sections of new and upgraded roads highlighted in **red** on **Map 4** will become special and trunk road and be part of the Belfast-Coleraine-Londonderry Trunk Road T7
- a number of existing junctions made redundant by the scheme will be stopped up as highlighted in **green** and labelled J1 - J9 on **Map 5**.

Other proposed connecting roads are highlighted in **blue** on **Map 5**. These connecting roads will not be designated as special roads or trunk roads by the Designation Order.

Printed copies of the draft Designation Order and all associated maps are on display for inspection at the exhibition. If you are unable to locate the relevant information, or would like to discuss the content of the draft Designation Order, please contact a member of the project team.
